### **Memorial and Honorary Gifts**

The Four Rivers Heritage Center at Lakin Farm is a 501(c) 3 nonprofit organization working to preserve and present the farming and ranching heritage of the State of Arizona. We seek both private and public partners to help us fulfill our mission.

Memorial and Honorary Gifts provide a lasting tribute to a friend or loved one. An honorary gift recognizes a special person for their anniversary, birthday or a job well done. The Heritage Center will send an acknowledgement to the families of those memorialized or to the person honored without specifying the amount. These memorial and honorary gifts will be acknowledged on a permanent plaque installed in the museum upon completion.

Memorials and Honorary Gifts may be specified for either of the following:

#### Arizona Farming & Ranching Hall of Fame

The establishment of the Arizona Farming & Ranching Hall of Fame is portion of the Heritage Center at Lakin Farms goal to preserve the farming and ranching legacy in Arizona. Each year honorees are selected that represent farming and ranching families, educators, agri-business, and the sciences that have created an enduring legacy for future generations. Donations to the Hall of Fame will support this goal.

#### 4 Rivers Heritage Center at Lakin Farm Development

The Four Rivers Heritage Center at Lakin Farm will be set on 40 acres in Avondale. The land has been provided through the generous donation of Chuck, Maxine and their family. As new families move to the Salt River Valley there is little left farming and ranching heritage in the State of Arizona. A center for education, the Heritage Center at Lakin Farm will provide unique educational opportunities for all ages. A donation to the Heritage Center at Lakin Farm Development Fund will help us reach our goals more quickly.
